

7 to perform crossline averaging for the purposes of meeting the VOC RACT requirements of Reg. 7. In the Final Rules Section of this Federal Register, EPA is approving the State's State Implementation Plan (SIP) revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial revision amendment and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this proposed rule, no further activity is contemplated in relation to this rule. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period on this action. Any parties interested in commenting on this action should do so at this time.

DATES: Comments on this proposed rule must be received in writing by March 3, 1997.

ADDRESSES: Written comments should be addressed to: Richard R. Long, Director, Air Program (8P2-A), United States Environmental Protection Agency, Region 8, 999 18th Street, suite 500, Denver, Colorado 80202-2466.
